VOTE FOR BETTER ON THURSDAY 6TH FEBRUARY.**

"Labour have increased parking charges by 185%"

The Labour council have sent parking charges soaring 185%, whilst also ignoring calls to reduce the cost of resident parking permits and scrapping free parking. These thoughtless price hikes are destroying the High Street and are impacting the budgets of families and households in Gillingham.

"Free swimming scrapped and roads worse than ever"

Labour have represented this area on the council for 10 years and we have nothing good to show for it. Things have taken a turn for the worse now Labour run the council and government with free swimming scrapped, roads potholed and crumbling, and the Winter Fuel Allowance scrapped. Let's demand better!
